DEATH OF MR. NOEL CHALMERS

FOUNDER AND PUBLISHER OF THE ALTONA STAR

The death occurred on Saturday morning last of Mr. Arthur Noel Donald Chalmers, former Editor and Publisher of The Altona Star.

Aged 47 years Mr. Chalmers had been ill for several months and a patient in the Epworth Hospital for the last three weeks.

He is survived by his wife and three sons, Noel, Ian and David.

Mr. Chalmers was born at Molong, N.S.W. and lived his early life at Canowindra near Bathurst. He was educated at Canowindra and Orange High School.

His first association with newspapers came when he joined the Canowindra Star as an apprentice printer.

After completing his apprenticeship he joined the Bathurst National Advocate and was foreman printer for six years.

The Advocate at this time was owned and published by the late Mr. J. B. Chifley, afterwards to become Prime Minister of Australia.

One of Mr. Chalmers' prized possessions was a letter of reference written by Mr. Chifley.

After leaving The Advocate he worked in all departments of the printing industry in country towns in N.S.W. and was country sporting writer for a Sydney paper.

Mr. Chalmers' first venture on his own before the war was the publication of his home town paper, the "Canowindra Star", which he left to join the R.A.A.F.

Following his discharge from the Air Force he returned to the newspaper business and worked as a linotype operator at the Footscray Mail and later at The Argus in the same capacity.

In 1946 he joined the staff of a trade journal called "The Sporting Goods Retailer" as a journalist and advertising representative and was partly instrumental in the growth of this journal to the main voice and authority of the Sporting Goods and Toy Industry in Victoria.

A man of great drive and determination, it was not long before Mr. Chalmers was seeking to establish his own business and eventually bought a press and commenced printing at his home in Alma Street, Footscray.

His next move was to amalgamate with Coronet Publishing Company and build a factory at Sunshine to print the various publications of this firm. These publications included "Coiffure" the official journal of the Ladies Hairdressing Association, "Plating and Finishing" the official journal of the electroplating industry and "Victorian Road Transport" the official journal of that industry.

In 1953 this firm founded the Altona Star and, except for a short period, Mr. Chalmers has been closely associated with its growth and Altona's growth during this time.

In 1954 this newspaper was printed in Altona for the first time and a year later Mr. Chalmers moved to Altona and built his home in Romawi Street.

WELL KNOWN FIGURE

He was well known to all sections of the Community and was ever ready to lend a hand to any worthy cause and no organisation was denied the publicity necessary to function.

He was a member of many of these organisations including the R.S.L., Air Force Association, Bowling Club and Football Club and was a tireless "behind the scene" worker for many other clubs and committees.

FAMILY MAN

He was a devoted father of his three sons and was a familiar sight with them on summer evenings and early mornings fishing from Altona Pier.

In his early life he was an accomplished athlete and won trophies for swimming, running and golf. He came from a family of Rugby Union players and played that sport in his home district. His father and brother also excelled in this field. A record he established in foot-running at the Orange High School still stands to this day.

Mr. Chalmers drive and energy was in evidence when he built his own house after the war. With no previous experience and against the advice of others he tackled the job single handedly at a time when materials were at their scarcest. He completed the job inside 12 months working evenings and week-ends.

The Late Mr. Chalmers

Council To Fight On For More Police In Altona

The Shire Council has been advised by the Secretary to the Premier's Department and the Acting Chief Commissioner of Police that the Council's representations for extra members of the Police Force and establishment of a Police Station in North Altona area have been noted and will receive consideration.

At the last Council meeting Cr. J. J. Giniher felt Council's request had now been "pigeon holed" and suggested Council wait for a period of two weeks before writing again. Further, as the department responsible has not the foresight to acquire lot 79 in Cherry Avenue for a future Court House to serve the Altona area, the Council should go ahead and do so.

This block of land is ideal as it is at the back of the land on which the Altona North Police Station will be situated and their would be ample parking facilities for the "customers."

In fully supporting Cr. Giniher's remarks, Cr. H. W. Lee said one of the aspects where the Government had fallen down was its failure to procure land while the opportunity was there and the fault lay with the Premier rather than the Police Department.

From past experience with the Police Department Cr. W. G. Cresser stated the blame does not entirely lay with the Chief Commissioner of Police. The blame is on the Government through lack of money from the Treasury.

The Police Department can get

the recruits but because of lack of money, cannot equip them.

Cr. W. Irwin has noticed plenty of police being used around the city but apparently there is no money to put them on the beat around the suburbs.

Council then decided to keep on with the fight for more police in the area and the erection of the Altona North Police Station.

FUNERAL SERVICE

The funeral, held last Tuesday, of Mr. Arthur Noel Donald Chalmers was one of the largest seen in Altona.

Following a service conducted by the Rev. White at St. Eanswythe's Church of England, the funeral cortege proceeded down Pier Street, paused outside the Altona Star and then to Romawi Street, stopping momentarily outside his home.

The Mañonic service was performed by Wor. Bro. H. Ferris at the Western Suburbs Memorial Park where Mr. Chalmers was cremated.

CLOVER LEAF FOR ALTONA TURN-OFF ON PRINCES HIGHWAY

Recently the Country Roads Board blocked off the opening in the median strip of the divided highway where Central Avenue meets the Highway at Laverton and the turn-off for Altona now occurs one block earlier on the Geelong side of the intersection.

Traffic proceeding to Altona from Geelong now leaves the highway and travels northerly by a street towards the railway line and under the divided highway to join Merton Street near the Laverton recreation reserve. Traffic from Altona to Geelong will enter the highway in the usual way by turning left from Merton Street into Central Ave and then merging into the traffic on the Geelong lane of the highway.

LAND ACQUISITION IN RAILWAY STREET SOUTH

A form of deed has been received from the solicitors for Trident Holdings in which it is proposed in accordance with Council request that land having frontage of 92 ft. to Railway St. South and frontage of 20 ft. to Pier Street be sold to the Council for £2000. The firm of Trident Holdings has undertaken the demolition of the buildings thereon for a further payment of £809 to be made when possession is given on April 1, 1963.

The deed has been submitted to the Council's Solicitors for certification. Council moved that the deed be signed and sealed subject to receipt of the Council's Solicitor certification.

DROVE TOO FAST

Charles Leslie Layton, of Blyth Street, Altona was fined £5 for doing 48-50 mph in a 30 mph zone in Millers Road, Altona, on July 28 1962.

The Social Whirl

BIRTHDAY PARTY

A party was held last Saturday night at the home of Mrs. M. R.

Shields, Seves Street, to celebrate her 74th birthday.

For some weeks Mrs. Shields has been away at Merlynston looking after a sister who has been ill.

She especially came home for the week-end to spend her birthday with her family and friends.

Mrs. Shields brother, Mr. J. Bushell, proposed the toast of the evening and everybody joined him in wishing her many more happy birthdays.

PERSONAL

On the sick list is Mr. Cecil Keeshan, of David Street, Altona. After having been a patient in Altona District Hospital for a few days he is now recuperating at home.

THANKS

Mrs. V. Aitken, of 135 Railway Street, would like to thank all ladies who attended and helped make a success of the Tupperware party held in her home last Friday.

During the evening the sum of £9 was raised for the Victorian Society for Crippled Children and Adults.

WEDDING

On Saturday, October 20, the wedding of Miss Barbara Edwards and Mr. Peter Hayes will be celebrated with a Nuptial Mass at 4.30 p.m. in St. Mary's Church, Altona.

Miss Edwards is the daughter of local hairdresser Mr. H. Edwards and Mrs. Edwards, of Romawi Street, Altona.

ALTONA STUDENTS CHOSEN FOR COMBINED SPORTS

Five students of Altona High School have been chosen to represent the Western Division High Schools in the Combined High Schools' Sports Meeting to be held at Olympic Park on Saturday, October 20. They are Vylius Arnastauskas, Ruth Hayes, Agnes Klisenko, Peter O'Dowd, Barry Prissall.

Had Unlicensed Firearms

John William Skillen, of 176 Osborne Street, Williamstown, John Edgar McPherson of 121 Maddox Road, West Newport, Allan Arthur Marshall of 49 Graham Street West Newport, and Leon John Magrisas of 148 Woods Street West Newport, were each charged that on January 21 1962, they did have in their possession a firearm, a .303 rifle, not being licensed to do so, and with having a pistol not being the holder of a firearms certificate.

Magrisas was also charged with having a .30 rifle without holding a firearms certificate.

Skillen and McPherson pleaded not guilty to both charges. Marshall pleaded not guilty to the pistol and guilty to the .303 charges and Magrisas pleaded not guilty to the pistol and guilty to the other two charges. He was represented by Mr. Goldberg.

Constable N. Campbell said at 3 am on January 21 with Const. Applebee he went to the W'town railway station. He saw the four defendants seated in a car there. They searched the car and found a .303 rifle, a .30 carbine and a .22 pistol.

Magrisas said Marshall owned the .303 rifle and he owned the other two. He said they all went for a shot earlier in the night. He did not hold a certificate for firearms. He was going to sell the pistol. The rifle was loaded because he forgot to unload it.

McPherson told him he did not know the pistol was in the car until the police found it, as it was under the front seat. He said Magrisas told him he had the .30 carbine to go pig shooting. No ammunition for it was in the car.

In reply to Mr. Goldberg he said he did not know Magrisas had licences for two other rifles,

but Magrisas told him he had the .22 for about two years. The pistol was covered with grease and could not be fired at that time.

Cost Applebee said he questioned Marshall and asked him who owned the guns. He told him he owned the .303. He did not think he had to have a firearms certificate. Skillen told him he knew the rifle was there but not the other two.

Magrisas told the Court he had bought the .30 carbine from the disposals for pig shooting. He already owned a .303 jungle rifle and a .310 cadet which were licensed. He had just over the licence for the .30. He found the pistol at the W'town tip, it was pretty rusty and he cleaned it up and fixed up part of the trigger mechanism. He was thinking of selling it that night. It was not capable of being fired then in its condition, and he had no ammunition for it.

In reply to the prosecutor, Senior McCluskey he said they were taken to the Police Station that night because they had broken into the Railway station. Senior McCluskey said Magrisas could not get a certificate for the carbine as it is really a machine gun and would not be registered.

Mr. P. J. O'Connor, SM, said the charges against McPherson and Skillen would be dismissed as he was not satisfied that they were in possession of the firearms at that time. As well as being in possession they would have to exercise the right of possession.

Marshall was fined £10 for being in possession of the rifle and the other charge dismissed and Magrisas fined £10 on each of the pistol and carbine and the third charge dismissed.

LOCAL LABOR VIEWS

An Australian National shipping line is the most urgently needed service today. Each year Australia pays £150,000,000 or more on freight charges for imports, and a similar amount on exports, we pay the highest tonnage freights of any major trading nation in the world.

It is easy to see that a nationally owned shipping line would vastly improve our balance of payments position, it would reduce our crushing freight burden. It would allow us to open new markets for our manufactured and primary products, it would establish and maintain reciprocal trade relations with all countries. One example where the burden would be lifted is the steel industry, of which Australia produces steel equal to and cheaper than anywhere in the world, but for us to export it to other countries the freight costs increase it to a price similar to that from other countries. For example:—

On steel to Singapore we pay 17/- per ton, yet from Britain the cost is only 120/- per ton; on steel to Hong Kong we pay 179/- per ton, from Britain cost is only 144/-; to Indonesia we pay 175/- per ton, but the cost from Britain is only 163/-; yet look at the comparative distances.

Japan is buying our wheat, milling it into flour and is still able to undersell us by £5 per ton on flour, this is mainly because they have their own shipping lines.

With the Common Market looming in the future Australia is facing impossible trade discriminations and embargos which the market countries will impose to protect their own primary products and exports, also they would impose crippling freight charges as one of the means of protection of their products, and these would apply to all market shipping lines, for in the agreement of Rome all ships fly a common flag, charge common tariffs, etc. A national shipping line would also stimulate the almost dead shipping industry in Australia, it would thus provide work for our tradesmen, seamen, water siders and all those connected

directly or indirectly with the maritime industry.

In 1927 the then anti-labour Federal Government sold the Government owned shipping line. An historian of the times, referring to the sell out of the shipping line said, "Intelligent creatures like the emu and kangaroo should be replaced on our coat of arms by a shorn sheep." In the following years have been well and truly shorn by the overseas shipping combines. During the debate in Parliament on the sale of the ships it was worth noting two incidents—

The President of one Chamber of Commerce referred to the debt of gratitude owed to the fleet, as freight costs had been kept down.

The farmers conference instructed their representatives to oppose the sale (and they did not)—all this in 1927.

Now, while shipyards all over Australia are lying idle with their men out of work swelling the already monstrous army of unemployed, the Menzies Government places an order with the USA for two destroyers at a cost of £20,000,000 each.

During and since the war our shipyards have proved beyond doubt they could produce ships equal to any built anywhere else in the world, ships such as the Anzac, Princess of Tasmania, Bass Trader etc are proof enough to sway anyone with a little intelligence that it is economically and technically possible to build any class of vessel in our shipyards.

We, the Altona branch of the Australian Labor party know this problem is the most urgent facing the workers in this Shire and adjacent cities, whether they are connected directly or indirectly, most are in industries which are reliant upon shipping for their livelihood.

Successful Fete Run By Altona High School

Last Saturday's bad weather did not dampen the enthusiasm of the students of the Altona High School in helping the Mothers' Club with the aid of the Parents' and Citizens' Association to run a very successful fete.

The fete was the culmination of a Princess competition the students had been running for some weeks. The students of each form chose a Princess and that form, led by the Princess and her teacher and backed by the parents, particularly the parents of each Princess, held hay rides, barbecues, toffee stalls etc. to raise funds.

Mr. Price, Head Master of the High School, was very pleased that all this activity was carried on with no interruption to the school work of the students.

The Princesses chosen by each form were—

1A Margaret McKenzie; 1B Jennifer Hyde; 1C Annette Harvey; 1D Lorraine Day.
2A Christine Hitchcock; 2B Julianne Curnow; 2C Carmel Molloy.

3A Lynette Allen; 3B Christine Charlton; 3C Annette Woolnough.
4A Lila Kielak; 4B Carol Edwards; 4C Janette MacDonald; 4D Beverly Lobb.

Prior to the fete and on the actual day of the fete when they ran their own stalls and competitions the students raised the magnificent sum of £480/17/-.

The joint winners of the Princess competition were the Princesses of forms 3C and 4C—Annette Woolnough and Jannette MacDonald—who each raised the sum of £105/14/9.

On the stalls prepared and manned by the Mothers' Club and Parents' and Citizens' Association, the takings totalled £144/14/8.

The grand total raised was £625/11/8 but as there are still some expenses to be met the school funds will benefit by approximately £580.

All connected with the fete are very pleased with the result and many thanks are due to members of the Mothers' Club who, with the help of Mr. Simpson and Mr. Tyrrell (staff representatives), planned and organized the fete; members of the Parents' and Citizens' Association; all form teachers who stirred the enthusiasm of the students; parents who helped the students; Mr. Price and his teachers and all those people who were good enough to patronise the various functions and the fete.

ELDERLY CITIZENS' CLUB NEWS

The monthly dance will take place this Saturday (October 20) at 8.00 p.m.

oOo

KOORINGAL GOLF

Saturday was Guest Day at Koorringal and despite the adverse weather conditions, a four ball better ball Bogey Competition attracted quite a big entry, results are as follows—

The Guest and Member Trophy was won by E. Presswell and B. McNeil 7 up, and the members trophy by P. Johnson and F. Barclay 3 up.

Sunday's mixed foursomes resulted in wins for the following—

Best Nett: C. Mathieson and Miss McNeil, 62½.

1st Nine: K. Kim and Mrs. Williams, 32½.

2nd Nine: A. J. Wilson and Mrs. Brown, 34½.

Secret Nine: S. Clough and Mrs. Cleak, 32½.

PEDAL CLUB NOTES

Last Sunday the club travelled to Geelong for the Norlane and Geelong West Rally. The Club came second in both the road ride and best turned out club.

Gail Stiles won a trophy. All members are to attend practice at Grant Reserve on Sunday at 2.00 p.m.

SILVER PEDAL

First: 20. Second: 44. Third: 48.

Any ladies wishing to join the Altona Pedal Club Women's Committee are invited along to 29 Linnet Street, Altona, on Wednesday October 24 at 7.45 p.m.

oOo

SNAKE SEASON IS HERE AGAIN

There was excitement among the students of the Altona High School last Monday when they sighted a snake in the spouting of the domestic arts wing of the school. However all attempts to catch it then were fruitless.

On Tuesday the snake was imprudent enough to again rear its head out of the spouting and be sighted by the students. This time, with the aid of a piece of wire, Mr. White a teacher at the school, was able to catch the 3 ft. long Tiger snake and kill it.

LABOR VIEWS

The Australian dairying industry is facing critical problems as important as those envisaged by Britain's entry into the European Economic Market. International price cutting will begin unless a plan to deal with a world surplus of dairying products was soon found and implemented.

World wide rises in dairy production was not being matched by increased consumption, despite the rapid increase in the world's population. Today Australians were eating less butter per head of population than was allowed in the war years of butter rationing.

Two factors have been blamed for our reduced consumption. One, of course, is economic—the ordinary people cannot afford so much butter as they would like and so eat or use margarine. The other reason was that Australians have undergone a change of eating habits.

Whatever may be the reason, and the former reason was valid the reduced butter consumption was causing concern to all butter producing countries of the world, including Australia.

PRICE WAR?

As stocks accumulated and butter producing countries created sales promotion schemes to assist disposal of their respective surpluses, it was feared a price war would eventuate.

As Conservative governments of Britain, Canada, New Zealand and Australia were loth to intervene, the industry itself within the Commonwealth was endeavouring to plan an international marketing organisation that would act as a co-ordinating body to deal with organised boards and agencies in other countries. It was hoped soon to have talks with the Dutch and Danes.

Mr. Richard Trehane, Chairman of the British Milk Marketing Board rightly quipped last week, "We have watched governments muddling around with the problem and have come to the conclusion that we must do something for ourselves." The Australian Labor Party wish their efforts every success.

It was only Labor Governments that strived for stabilisation schemes that ensured justice to the producer and the consumer on a national and international level.

The war years and immediate post-war era proved that point.

The total permits issued for the month were 79.

HOME HELP SERVICE

The Council has received the quarterly report from the Home Help Supervisor, Mrs W. E. Caruthers, which showed a continued increase in the demand for the service.

(A) Cases carried over from previous quarter. (B) New cases assisted during Quarter.

	A	B	Tot.
Expectant mothers confinements & families with young children.	4	16	20
Elderly and Infirm.	3	2	5
Other cases (i.e.: no young family and not Elderly)	2	—	2
Totals	9	18	27

oOo

WORKINGMEN'S ASSOCIATES TO CONDUCT STALL

The application by the Associates Section of the Altona Workingmen's Club to conduct a stall on Ransom Reserve has been approved.

During the summer season to help raise funds towards the building fund of the Club the associates are going to sell soft drinks and ice-cream to the public.

The permission of the Council was granted subject to the Club adhering to Health Regulations.

oOo

IMMUNISATIONS FOR SEPT.

The Health Inspector, Mr. J. Mellors, reported to Council at the last meeting that the following is the total number for immunisations for September:—

	Triple.	Salk.	CDT.
Altona	45	49	5
Altona East	32	33	4
Altona North	36	36	—
Totals	113	118	9

A total of 240 injections were given.

SCOUT NEWS

RADIO-ACTIVE SCOUTS!

An unusual Jamboree will be held on the weekend of October 20 and 21 amongst scouts in more than 67 countries. But participants will not meet face to face... just orally, over the short-waves.

Through the co-operation of radio amateurs who are making their stations and equipment available to scouts for this world wide link-up, more than 2000 scouts throughout Victoria are expected to have the opportunity of extending their knowledge of scouting in other countries, and of establishing new friendships amongst some of the world's 8,000,000 scouts.

Scoutmaster Gordon Russell of 2nd Altona Group is organising their part in the 5th Jamboree of the Air. They are being assisted by Yarraville "ham" Eil. Magnusson. Bill was one of the pioneer amateur operators for the Jamboree on the Air, having served his "apprenticeship" with 8th Footscray Boy Scouts in 1960 and 1961.

The scouts will not have to contend with language difficulties as most radio "hams" speak or can understand English. In cases of difficulty, scouts can use the internationally known "Q" code, which is widely used by radio amateurs, as a means of communication.

Scout Groups who take part and send their reports to the State Co-Ordinator will receive a certificate from the World Scout Bureau, certifying their participation.

The aim of the Jamboree on the Air is to help scouts realise the worldwide nature of scouting. The average scout has few opportunities of meeting scouts from other countries. By means of the Jamboree on the Air he can exchange views and establish new friendships, which might materially contribute to international understanding and goodwill.

Its secondary aim is to open a new field of interest in electronics, which may encourage boys to make their eventual careers in this sphere.

oOo

INFANT WELFARE CENTRES

Sister V. Pryce-Jones gave the following report at the last Council meeting for the quarter ending on September 30, 1962.

At Altona Centre, 27 David Street: 211 babes are enrolled, 69 home visits were made, 6 mothers were advised and 864 attendances were received at five sessions per week. Daily average: 13.2.

At Altona West Centre, 2 Somers Parade: 106 babes are enrolled, 29 home visits were made, 1 mother advised and 435 attendances were received at three sessions per week. Daily average: 11.75.

Sister D. M. Hatley tendered the following report:—

At Altona East Centre, 11 Collins Avenue: 182 babes are enrolled, 80 home visits were made, 6 mothers advised and 623 attendances were received at four sessions per week. Daily average: 12.

At Altona North Centre, 2 Murphy Street: 198 babes are enrolled, 109 home visits were made, 4 mothers advised and 679 attendances were received at four sessions per week. Daily average: 13.

A LINK BROKEN

A link with Altona's past was severed last week with the death of Mr. George Kirby of Durham Street, Sunshine.

Mr. Kirby was head of Kirby Theatres which operated the Strand Theatre at the corner of Pier and Queen Streets for many years. Dwindling attendances, mainly due to the advent of TV, forced the closure of the Strand in May, 1959, and the theatre and adjoining land was sold for building purposes. Many residents regretted this break with the past but look back to the many happy hours spent in the theatre. Mr. Kirby was ever willing to loan the theatre for meetings and charity functions.

He is survived by two sons and two daughters. Mrs. Kirby died some years ago.

ALTONA CITIZENS AND POLICE YOUTH CLUB

Senior boys are notified that there are vacancies on Monday and Tuesday night for limited boxing, and other training under Bill Alexander and Mr. Johns.

The senior girls gymnasium class has been changed to Friday nights instead of Monday.

CAR RAFFLE

Tickets are available at many Altona shops and the Central Hotel, Altona. The Holden Station Wagon will be on display on Saturday morning through main streets of Altona and at the Central Hotel during the afternoon.

Four boys and four girls journeyed to Mildura to be hosted by the Mildura Club. A good time was had by all. The host club treated them to a cruise on the Murray and a sight seeing trip of the district.

LIFE SAVING CLUB NEWS

Would all members please note that training has commenced on Wednesday nights for girls and on Thursday nights for boys. All members wishing to attend the carnivals starting on December 3 are to begin training as soon as possible.

SWIMMING CLUB

The Altona Swimming Club is looking for more members for their learn to swim campaign. Any boy or girl interested is invited to contact one of the instructors on Wednesday or Thursday nights at the clubrooms from 7 pm to 8 pm.

Mr. J. Byrne was appointed a Judge at the Richmond Baths last Wednesday night. All members were requested to attend with the view of competing in next year's championships.

The club's pre-season dance is to be held at the club rooms on October 27 and promises to be a really bumper night. Come along and bring all your friends. Admission will be 4/- members and 5/- non-members.

SPECIAL EFFORT

131 Mrs G Tobin. 69 N. Davenport. 63 W J Smith. Consolation: 28 W Harris. 173 Mrs N Benson. 34 Mrs Murphy. 141 M Kemp.

LIFE SAVING CLUB MOURNS EDITOR

The Altona Life Saving Club deeply regrets the passing of Mr. Noel Chalmers, late editor and publisher of The Altona Star. Mr Chalmers was ever willing to assist local sporting bodies and other organisations. The Life Saving Club had received an annual trophy from "The Star" for several years.

oOo

ALTONA DISTRICT HOSPITAL

The report of the Altona District Hospital for the month of September shows how rapidly the population of Altona is increasing.

There were 28 births for the month, giving an average of one per day and the sexes are on equal terms—14 boys and 14 girls.

The committee were very pleased to receive a donation of £1/10/- from four young girls who ran a small bazaar to raise this money. The girls were Hilja Toom (10 years), Patricia McCullagh (8 years), Kersti Toom (5 years), and Julie McCullagh (4 years).

oOo

ANOTHER SERVICE STATION IN MILLERS ROAD

Council have reconsidered the application of July 31 from Esso Standard Oil (Australia) Pty. Ltd. to develop a petrol filling station on lots 83-90 Millers Road, Altona North.

The property is on the east side of Millers Road and the firm points out that the area is known as residential, but there are no secondary schools opposite the site in Millers Road to deter the change in land use from residential to commercial as was previously stated by Council. The nearest school is located approximately one quarter mile south.

The applicants consider that the development of the service station which would adjoin Altona Squash Courts would not seriously effect the amenity of the area or inconvenience traffic proceeding south in Millers Road. In this area it will be the only service station on the east side of the road.

Council have agreed to the company's request subject to the usual conditions.

Permission was also given for the erection of a service station on lots 21 22, and 23 Luly Street, North Altona.

CRICKET NEWS

On Saturday last, both Altona ANA games were washed out due to the inclement weather.

Results were—

A TURF

156 (N. Trickey 66, S. Magee 49, G. Halley 5/38) drew with Williamstown Imps 4/46 (T. Gray 3/12).

B TURF

98 (W. Martin 30, M. Johnson 5/39) drew with Newport Power Station 2/50 (J. McMillan 26).

The under 16 cricket competition starts on Saturday October 27. All those wishing to play please contact either Norm Trickey or Terry Gray.

oOo

ALTONA SPASTIC AID COMMITTEE

At a street stall held last Saturday in Pier Street, the Spastic Aid Commitee raised £45.

Mr and Mrs Keane, managers of Tye's Furnishing, Pier Street have kindly made space available in their showroom to display a Christmas Stocking, valued at £200. This is to be first prize in a special effort being conducted by the committee, and there are 6 other prizes. Tickets are available from Tye's or the secretary, Mrs Oakes, 9 Upton Street, Altona. The stocking will be on display till Saturday, October 20.

All money raised in Altona by the Spastic Aid Committee goes to the centre in Seddon to support the six local spastic children who travel by special bus daily to attend the centre.

There are forty children attending this centre with its specially trained staff but parents are not asked to pay, although they often make a donation. It costs the centre £4 per week for each child and as the Government does not support them in any way the doors of the centre can only be kept open by the generosity of the public.

It is hoped that in the very near future a hostel will be built to accommodate these children so that when their mother is ill, or in hospital, there will be somewhere for the children to stay.

A hostel would be a boon to the mothers who, because of years of sacrifice in attending these children, could then have a much needed holiday.

These children cannot live a normal life and must depend so much on others to bring sunshine and happiness into their lives. It gives the parents great pleasure to see the public so generously supporting their efforts to raise funds.

T.A.B. Opens This Friday

A new TAB Agency opens this Friday in Altona. The Agency is situated at Shop No. 8, Pier Street, and the managing agent will be Mr. H. Edwards. The agency will operate on Win and Place, Doubles and Quinella betting on a cash basis only.

The times of opening of the Altona Agency will be prominently displayed at the entrance and punters are advised to consult them to avoid the disappointment of calling when the Agency is closed.

Legalized "off-the-course" totalizator betting operates on all Victorian racing and trotting meetings where a tote also operates on the course, but it is not possible to bet on dog racing or interstate racing.

The unit of betting is 5/- or multiples thereof, and winning bets may be collected on any working day following the day of the race on which the investor won. It should be remembered that win and place betting closes 40 minutes prior to the starting time of each race.

A very popular feature of the new legalized betting system is the "Daily-Double." If either of your selections is scratched and you are unable to exchange your

ticket, your investment is automatically placed on the horse which is the "off-the-course" tote favorite in the double.

Another popular feature is the fast race Quinella, but Quinella betting closes three hours before the start of the race.

The TAB method of betting is a controlled system and whilst there are no incentives or inducements to make people bet, nevertheless a legalized service is provided for people who wish to do so.

TAB Agencies cannot possibly cause offence to people not interested in betting. The premises are unobtrusive, there are no race broadcasts, no same day payout, no chairs—nothing in fact to induce people to stay on the premises once they have placed a bet—the usual betting shop atmosphere is absolutely non-existent.

The Totalizator method of betting is fool-proof. It is machine controlled and therefore bribery and corruption in either racing or business circles is non-existent where it operates. An investor's money is safe, he is sure of being paid, and statistics have proved that Totalizator punters get true odds.

Punters cannot get into debt or bet beyond their means as no credit is extended.

NEW PRE-SCHOOL CENTRES TO BE STARTED

Messrs. Clements Langford Pty. Ltd., have advised that works will commence shortly on the four Pre-School Centres in the Altona Shire and the works will be completed in early February.

Meantime, applications are being invited for positions of Pre-School Directors—five are required. Two applications have been received so far from satisfactory applicants.

Miss Stubbs and Miss Steen of the Health Department have visited the shire office to discuss furnishings and commencement of classes in the new centres and in due course Miss Steen, the inspector of the pre-school section, will interview all of the committees which have been established for each of the centres.

Favorite Lemon Recipes

Lemon flavor is one which we never tire and as this year most gardens have an abundance of this useful fruit, I am giving you some new ideas on how lemons can be used for sweets which are just a little different.

For instance, the spicy raisin pie recipe combines a variety of flavors in a rather unusual pie which can be prepared well in advance and can be eaten either with or without the topping of lemon apple meringue.

Lemon fluff pudding is one which is a sure favorite and is most suitable for either family or party meals.

Frozen lemon crunch is an ice-cream sweet with a difference. The crunchy topping just gives it that special combination of texture and flavors which the good cook is always trying to achieve.

There are two important points to remember when you are using lemons if you want to obtain the best flavor from them. When grating lemon, be very careful not to grate too deeply because the pith will give a bitter taste which no amount of other flavors can disguise.

Something else which many people tend to overlook is that some lemons are much sweeter than others. It is a very good idea to taste lemons before using them and in this way you can avoid the common fault of adding too much sugar to lemons which are already inclined to be a little sweet.

SPICY RAISIN PIE WITH LEMON APPLE MERINGUE

A baked pie shell
 ¾ cup sugar
 1 teaspoon sugar
 ½ teaspoon ground cloves
 ½ teaspoon nutmeg
 ½ teaspoon salt
 1/3rd cup cornflour
 1 large can evaporated milk
 1 cup water
 2 tablespoons vinegar
 3 egg yolks
 1 cup raisins
 1 teaspoon vanilla

Combine sugar, spices, cornflour, evaporated milk, water and vinegar in the top of a double saucepan. Cook until slightly thickened stirring continuously. Cool and gradually add egg yolks. Mix well. Add raisins and vanilla. Cook mixture 2 to 3 minutes longer. Cool. Pour into cooled pie shell. Top with lemon apple meringue.

LEMON APPLE MERINGUE

3 egg whites
 Pinch salt
 6 tablespoons castor sugar
 1 cup grated apple
 1 tablespoon lemon rind

Beat egg whites with salt until frothy. Gradually beat in sugar until egg whites stand in peaks. Fold in apple and lemon rind. Place meringue on cooled pie filling. Seal to edge of pie crust. Brown in moderate oven (380 deg. F.) 10 to 15 minutes. Serves six.

LEMON FLUFFY PUDDING

1 packet lemon jelly
 ¾ cup sugar
 1½ cups hot water
 1 cup lemon juice
 1 teaspoon grated lemon rind
 1 large can evaporated milk, chilled
 2 cups vanilla or plain chocolate biscuit crumbs.

Dissolve jelly and sugar in hot water. Allow to partially set then add lemon juice and grated rind. Whip chilled evaporated milk. Whip gelatine mixture and fold into milk. Sprinkle half the crumbs on bottom of a shallow dish. Spread lemon mixture over and sprinkle with remaining crumbs. Chill until set. Top with whipped cream before serving. Serves eight.

FROZEN LEMON CRUNCH

1 cup undiluted evaporated milk, chilled
 1/3rd cup lemon juice
 2 eggs
 ½ cup sugar
 ½ teaspoon salt
 1 tablespoon grated lemon rind.

CRUNCH TOPPING

1 cup crushed cornflakes
 2 tablespoons melted butter
 3 tablespoons sugar.
 Set refrigerator at coldest point. Whip chilled evaporated milk until stiff. Add lemon juice. Whip until very stiff. Beat eggs, sugar, salt until thick and creamy. Fold in whipped evaporated milk and grated lemon rind. Spoon into refrigerator tray. Mix cornflakes, butter and 3 tablespoons sugar together in bowl. Sprinkle over filling. Freeze until firm (about two hours). Serves four to six.

oOo

HELPFUL HARRY SAYS

● When cutting enamelled or plastic finished hardboard score the surface with a straight edge and a point. Follow the scratch with a fine-toothed saw, always working with the enamelled or plastic side uppermost: this prevents chipping.

● On bricklaying jobs always tap the brick into place with the handle of the trowel. Using the blade for this purpose may chip the brick face and mar your work.

● Don't let the "crawl" space under your house become a repository for discarded household junk. This will interfere with underfloor ventilation and may lead to problems with rising damp.

TABLE TENNIS NOTES

Playing their first match in A Grade, Sunshine representatives (M. Lander, F. and N. Slawitschka, and K. Brady) successfully accounted for Albright and Wilson (R. Smallwood, R. McLurkin and V. Petrenko).

This week they meet Altona, and the result of this encounter will indicate their progress in top Western Suburbs competition.

In other A Grade matches Altona defeated Seagulls and Maidstone easily won from A.G.M.

TROPHY AWARDS, 1962

Winners of the aggregate trophies for the most consistent player in each grade are—

A Grade: R. Roman, Maidstone.
 B Grade: A. Dyall, A.P.C. Socials.

C1: P. Markey, Mephan Fergusons.

C2: D. Whitten, Rheem.

C3: N. Purvis, Vickers Detroit.

C4: B. Moloney, Bulldogs.

D1: B. Duvoisin, Mephan Fergusons.

D2: F. Graig, Maidstone.

Winners of the Robert Fleming Memorial Trophy for the outstanding sportsman in each grade are—

A Grade: R. Roman, Maidstone.
 B Grade: A. Dyall, A.P.C. Socials.

C1: R. McFarlane, Seagulls.

C2: D. Whitten, Rheem.

C3: R. Wheeler, Maribyrnong Youth.

C4: T. Shield, Seagulls.

D1: R. Boucher, Maribyrnong Youth.

D2: B. Rowbottom, Bodington.

ANNUAL MEETING, 1962-63

The annual meeting of the Western Suburbs Association will be held at the Table Tennis Centre, Garden Street, Williamstown, on Monday, December 3. At this meeting the executive committee for the next year is to be elected and the policy for the ensuing season will be formulated. All clubs competing must be represented, while new or prospective clubs or players are invited to attend.

NEWPORT-ML 2074

DANGEROUS DRIVING

Alfred Martin, of 20 Epsom Street, Laverton, was charged that at Altona on the 31st May, 1962, he did drive a car on a highway, to wit Kororoit Creek Road, carelessly. Also that he did fail to have his vehicle under sufficient control in the event of an emergency or danger that he would be able to take reasonable precautions. He pleaded not guilty.

William Bell Milligan, fitter and turner, of 22 Cherry Crescent, Braybrook, said he left work about 5.10 p.m. and was driving on Kororoit Creek Road, Altona, headed towards Geelong Road, when he ran out of petrol. He pulled over on the side of the road, nearly to the ditch. He got transport to a garage and when he returned a tow truck was pulling his car out of the ditch. He had parked his car so that his driving side wheels were four feet off the bitumen.

Constable D. McKenzie, of Footscray, said he attended the accident, which was quarter of a mile east of Geelong Road. He saw a car lying on its passenger side on the bitumen part of the road and another car on its side off the roadway. After colliding with the parked car, defendant's car finished up on its side fifty-one feet west of the point of impact.

Constable V. Wesley, of Werribee, said he interviewed defendant on the 26th July, 1962. Martin told him he felt a bump when travelling at about 30-35 m.p.h. He looked in his rear vision mirror to see what it was and when he looked back was too close to a parked car to avoid it.

He was fined £10 with £5 costs for driving carelessly and the other charge was withdrawn.

WEST NEWPORT BASEBALL CLUB

In losing 9-0 to Footscray, last Sunday, West Newport showed that they will be a threat to leading teams in the Victorian Summer Baseball this year.

Tony Michael pitched to Jim Michael to open the season and found it difficult to control the ball in the early stages of the game. Nervousness also had a great deal to do with the way the team performed. Most of the players for West Newport are under 20 and they are easily the youngest side in the competition.

The players found the ground difficult to play on, but with a few more games and the experience they will gain from them they should be able to hold their own in the latter part of the season.

INNINGS SCORES

Footscray: 212, 13-9.
West Newport: 000, 00-0.

Infield and outfield errors at vital stages of the match gave Footscray five of their nine runs.

In the second game St. Kilda defeated Melbourne 5-1.

This Sunday RAAF are to play Port Melbourne in the early game commencing at 1.45 p.m., and at 3.30 p.m. Collingwood will play Allstars.

West Newport do not play again until October 28 when they will meet Newport in a game that is being eagerly awaited by the ex-Newport players now playing with West Newport.

Shire of Altona LOAN NO. 31 SPECIAL ORDER TO BE MADE

Take notice that the following motion was adopted at the meeting of the Council on Tuesday 25th September 1962.

"That the Council makes a special order to borrow the sum of £10,000 from the State Savings Bank of Victoria on the credit of the municipal revenues of the President, Councillors and Ratepayers of the said Shire, by the grant of a mortgage under the provisions of the Local Government Act.

1. The maximum rate of interest that may be paid is £5/10/- per cent per annum.
2. The purpose for which the loan is to be applied is construction of private streets £10,000.
3. The period of the loan shall be ten years.
4. The moneys borrowed shall be repayable by providing out of the municipal fund 20 half yearly instalments of approximately £656/14/6, each including principal and interest on the first day of January and the first day of July during the currency of the loan. The first instalments shall be payable on the first day of July 1963.
5. Such moneys shall be repayable at the State Savings Bank of Victoria, Melbourne."

and the confirmation of this order be made an Order of the Day for the meeting of the Council to be held at 7.30 p.m. on Tuesday 23rd October 1962.

James W. Waters
Shire Secretary

SHIRE OF ALTONA

Notice of Special Order for Making By Law No. 16.

Notice is hereby given that at a meeting of the Council of the Shire of Altona on Tuesday, 9th October, 1962 the Council did resolve to make a By Law as follows:—

By Law No. 16—Hedges and Fences at Street Junctions By Law.

For the purpose of:

Prohibiting or regulating the use of Private Property situated at the junction of streets or roads for the growing of trees, shrubs or hedges; and for other purposes.

Such By Law will have force and effect within the precincts of the Shire of Altona.

Notice is hereby given that the special order making the above-mentioned By Law No. 16, will be submitted for confirmation at the meeting of the Council to be held at 7.30 p.m. on Tuesday 13th November, 1962.

Copies of the proposed By Law have been deposited at the Municipal Offices, Queen Street, Altona and are open for inspection free of charge during office hours.

LOAN No. 28.

SPECIAL ORDER TO BE MADE
Take notice that the following motion was adopted at the meeting of the Council on Tuesday, 25th September, 1962.

"That the Council makes a special order to borrow the sum of £10,000 from the Australian and New Zealand Bank Limited on the credit of the municipal revenues of the President, Councillors and Ratepayers of the said Shire, by the grant of a mortgage under the provisions of the Local Government Act.

1. The maximum rate of interest that may be paid is £5/10/- per cent. per annum.
2. The purpose for which the loan is to be applied is construction of private streets—£10,000.
3. The period of the loan shall be ten years.
4. The moneys borrowed shall be repayable by providing out of the municipal fund twenty half yearly instalments of approximately £656/14/6, each including principal interest on the fifteenth day of June and the fifteenth day of December during the currency of the loan. The first instalments shall be payable on the fifteenth day of June, 1963.
5. Such moneys shall be repayable at the Australian and New Zealand Bank Limited, Melbourne."

and the confirmation of this order be made an Order of the Day for the meeting of the Council to be held at 7.30 p.m. on Tuesday, 23rd October, 1962.

JAMES W. WATERS,
Shire Secretary.
